COMPANY PROFILE

The screenshot displays the Johnson Matthey DigitalRefining website. The header includes the logo and navigation links: Home, Magazine, Articles, News, Literature, Events, Advertising, Webinars, Video, Sponsors, Contacts, Login. The main content area features a 'COMPANY PROFILE' section with a detailed description of Johnson Matthey's role in sustainable technologies. Below this, there are sections for 'SPONSORS' and 'ARTICLES'. The 'SPONSORS' section lists various companies like Applied Rigaku Technologies, Ariel Corporation, and others. The 'ARTICLES' section highlights topics such as 'FCC additives and addition systems', 'Licensed processes', 'Purification absorbents', and 'Process catalysts'. The footer contains links to 'HOME', 'MAGAZINE', 'ARTICLES', 'NEWS', 'LITERATURE', 'EVENTS', 'ADVERTISING', 'WEBINAR', 'VIDEO', 'SPONSORS', 'CONTACTS', and 'LOGIN', along with 'TERMS AND CONDITIONS', 'DATA PROTECTION POLICIES', and 'USER ACCOUNT'.

Your company profile should highlight the technologies, products and services you provide the global refining, gas and petrochemical processing industries. You can include as many links as you wish to more information on your own website, making DigitalRefining the perfect vehicle for interacting with customers and increasing your brand awareness and website traffic.

ARTICLES

You can provide as many previously published articles relevant to the refining, gas and petrochemical processing industries as you wish.

PRODUCT BROCHURES / VIDEOS

You can provide as many product brochures, literature items, news and videos relevant to the refining, gas and petrochemical processing industries as you wish.

WHITE PAPERS

Three White Papers free of charge for lead generation.

ADVERTISEMENTS

Eight advertisements within your profile, to help increase your brand awareness and traffic to your website.

12-Month Cost:
£5,350 / €6,450 / \$6,950

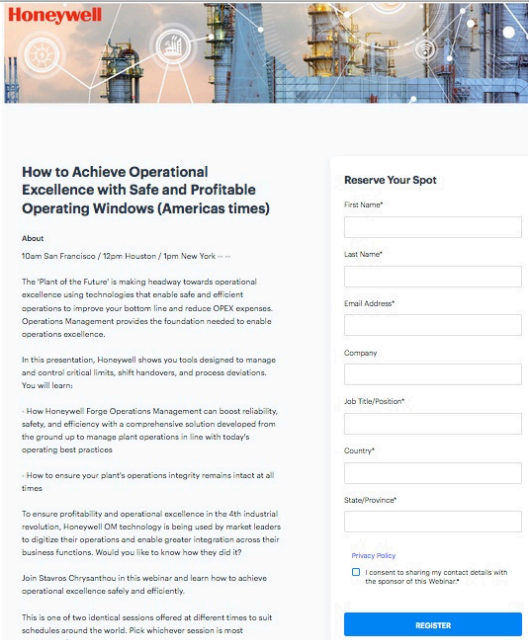

WEBINARS

Our Webinars are 45 minutes long (recorded), followed by a 15-minute live Q&A, and can be delivered in three different time zones at no extra cost. Webinars are promoted via eblasts, DigitalRefining's homepage, our weekly newsletter, as well as through print and online advertisements, LinkedIn and Twitter.

On-demand versions are included on DigitalRefining and promoted for 12 months, providing a constant flow of qualified leads: <https://bit.ly/2EWtdKV>.

So far, our Webinars have successfully generated high volumes of registrations and leads: 250+ registrations for the live version and 200+ lead generation responses for the on-demand version (highest 530). All registration / lead generation details are passed onto the Webinar's sponsor.

Cost Per Webinar: £9,950 / €11,950 / \$12,950

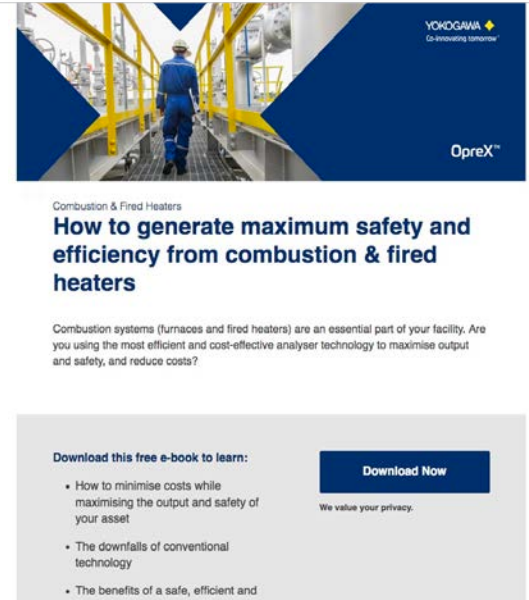

EBLASTS

DigitalRefining's single-sponsor Eblasts are the perfect way for companies to promote a new product, service, technology or event.

Eblasts are distributed to over 28,000+ registered users on a day and time of your choosing. A copy of the Eblast will also be promoted on PTQ / DigitalRefining's LinkedIn and Twitter feeds.

We have worked with many companies on campaigns that have produced excellent results. As an example, we recently helped one company achieve over 3,000 registrations for its series of Webinars through an Eblast campaign.

Cost Per Eblast: £4,650 / €5,550 / \$6,050

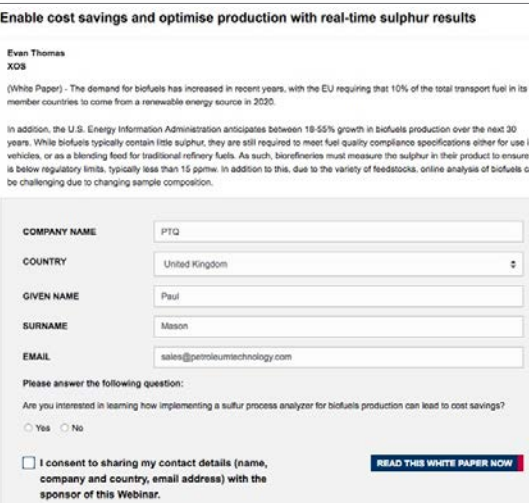

WHITE PAPERS

White Papers are promoted as the featured content on our weekly newsletter, on DigitalRefining's homepage and on the articles homepage, as well as on LinkedIn and Twitter.

For lead generation, the person downloading the White Paper must answer a question provided by you and agree for their contact details to be sent to you. So far, our White Paper service has successfully delivered high volumes of qualified leads. The average response of the last 20 White Papers is 187.

NB: After a month, they become a regular article on DigitalRefining.

Cost Per White Paper: £2,950 / €3,450 / \$3,850
